## Where the vocabulary comes from

All vocabulary in this book was taken from official CELPIP materials, including reading passages, listening tracks, questions, answer options and diagrams. No new vocabulary entries have been added. The selection is editorial, not a ranking of CELPIP frequency or difficulty.

## Practice and scope

Practice passages, questions and explanations are original study material; their ordinary connecting language is not an additional vocabulary list. All practice situations in this book are fictional. This independent study material does not imply CELPIP endorsement or promise a score. Answers start on page 104; the alphabetical index follows the answer key on page 108.
